To the Hon. John A Kelly Judge of
the Circuit Court of Lee County Va
Your Complainants, A.B. Beaty
R. B. Beaty, Samuel M. Beaty, Wm H.
Beaty, John P. Beaty, Cornelia Beaty
Judson Hatcher and Emily Hatcher his
wife formerly Emily Beaty. Humbly
Complaining sheweth unto your
Hon. That they are the children and
heirs at law of John M. Beaty
deceased, who with the infant children
of Harriet Baylor now also deceased
compose the whole of said heirs at law.

The said John M. Beaty at the time
of his death was possessed of a very
large and valuable real and personal
estate: He was not indebted to a very
great extent; and that was mostly for
land and the floating indebtedness of
a mercantile establishment. The several
questions relating to the real estate have
all been settled and most if not
all said heirs received a distributive
share of said estate of about \$3000-
each. The said John M. Beaty,
deported this life in the year 1871,
and was at and for several years
before his death engaged in the

Mercantile business; being jointly concerned with one Charles Dougherty, in two concerns of that character, one House was conducted in the town of Jonesville, under the firm name and style of "Dougherty & Beatty" The other was at Rose Hill in this County and was conducted under the firm name & style of "Dougherty & Co."

Upon the death of the said John M. Beatty, the surviving partner, of said firm, being the personal friend of the family, was requested, to and did qualify as the administrator of said estate; and the said Charles Dougherty continued for some 10 or 12 years to discharge his duties, as such by collecting large sums of money and paying out the same, on debts and the advancements aforesaid. - in the year 1882, the said Dougherty also departed this life never having made any settlement of his accounts as such, and retaining until his death all his vouchers, and evidence of disbursement. Your orators charge that the said adm. received a much larger sum than he disbursed, that there went into his hands many thousands of dollars never paid out so far

as they know or believe. They allege that he received large sums of money into his hands as adv. from each of the mercantile firms above named of which he was the surviving partner and that he still holds these funds, subject for your Complainant's. They allege that the said Dougherty has not made any formal settlement as such survivor, but that he has in part applied the proceeds arising therefrom. They are advised that a settlement of these two concerns are necessary to show the exact amount due from and to him. They further allege that there went into the hands of said Dougherty as such adv. a large amount of notes, bonds and accounts good and solvent at the time and which could by ordinary and due diligence have been collected, but which have not and are now by reason of said Dougherty's neglect lost, barred by limitation and become insolvent. They allege that there is a very large debt owing from Francis Holladay of about \$1200 which is a lien on valuable real estate and could long since have been collected but which has not been done.

Upon the death of Charles Dougherty one
L. D. Lulkerson qualified as the Curator
of said Dougherty, pending a controversy
in regard to an alleged will sought to
be set up. He is still acting as the
personal representative of said Dougherty
and has ample means in his hands
to pay and discharge the same.

The object of this bill therefore
is to compel a settlement of the said
Dougherty's account, as such adminis-
trator, which as your orators are ad-
vised involves a settlement of his ac-
count as surviving partner of "Dougherty
& Beatty", and Dougherty & Co. To have fully
ascertain the amount which did or could
by ordinary & due diligence have gone
into his hands for distribution how
much and to whom he has paid the
same; and what sum or sums now
remain in his hands for distribution
among said heirs; and to have distribution
made of the same; And to this end
they state that one of John M. Beatty's
daughters intermarried with Charles E.
Bayler some years since & departed
this life leaving three infant children
her heirs at law viz: Lon. Bayler.

Harry Baylor, and Hattie, Baylor all small children under 21 years of age; these children have an interest in the fund to be distributed -

... The prayer of your Complainant, therefore is that L. D. Hulkeon Curator of the estate of Charles Dougherty deceased be made a party to this suit answer its allegations on oath, that Lou, Harry, or Hattie Baylor be also made parties defendant, hereto, and that a guardian ad litem, be appointed to answer and defend them - that an account of the acts and doings of said Dougherty as admr or surviving partner be taken before a commissioner of this Court and the balance if any form due from, him be distributed among those entitled. And for all other further and general relief. May vobis issue.

To the Hon. John A. Kelly Judge of
the Circuit Court of Lee County
Va. The answer of Lon. Baylor, Hettie
Baylor and Harry Baylor, by John B.
Fulkerson their guardian ad litem,
to a bill filed in this Honorable
court by Samuel M. Beatty.
Respondent states that from the
proceedings in said cause it
would appear the rights of the
infants would be promoted by such action
and therefore no just grounds
of objection can be urged.

Your respondent has ~~not~~ informa-
tion which justifies him in a de-
nial that an account is proper

yet he does not admit them,
but for the protection of his wards
throws them upon the tender care
of this Hon. Court - the peculiar
guardian of infants. And having
now fully answered he prays to
be dismissed with his costs.

Circuit Court of Lee County in vacation

L. M. Beatty vatters

L. D. Fulkerson executor

2 Dec 87.

This cause came on this 14th January 1888 the hearing in vacation pursuant to order entered therein at this term 1887 upon the bill exhibits reports of counsel and of depositions by recorders of letters was argued & the court is of the opinion that

that this is a bill filed by the heirs at law of John M. Beatty vs L. D. Fulkerson executor of the estate of Charles Daugherty deceased, alleging that large sums went into the hands of Charles Daugherty as adm^r of John M. Beatty deceased for which he failed to account; that Beatty died in 1871 and that at his death he was partner of Daugherty in two mercantile houses; that said Daugherty as survivor collected large sums due said firms for which he had not accounted that other large sums were lost to said firms because Daugherty failed to prosecute them, that as adm^r of he had failed to make any settlements or return any appraisements or inventories and died in 1882 without making any such settlement. The bill prays for an account &c.

It appears from the report of Court. Han. Co. J. Duncan and by the exhibits filed in the cause that said Daugherty was summoned before the Commission to make a settlement of his administration account & was served the 12th Inst.

6th July 1875, that failing to appear a rule issued returnable to the 1st day of September term 1875 and that an alias issued returnable to the 1st day of October term 1875 &c.

It appears from Daugherty's letter Sept 14th 1875 & W. J. Morgan's card 7th Aug 1875 that Daugherty was ill at this time but these proceedings were continued until his death without his appearing at all. It also appears that in Jan 1878 Judge Duncan went to Daugherty's

Laure for the purpose of making this settlement and that it was continued and held open at his request until he died and then this suit is instituted and an account taken in this case and filed to which there are filed exceptions.

The first question presented by the case and exceptions is - "Is the allowance of 5% commission to the surviving partner for collecting and paying out the partnership debts a proper one?" In *Hrazier v. Hrazier* 29 Gratt 134 it is said "No rule is better settled than, that one partner is not entitled to compensation for his services while employed in the partnership business unless it be so agreed between the parties." See also *Redlyn on Partnerships* 183. *Perran's on Partnerships* 130. 5 Wait Act & Defm. 444 77 v^a 792-793. *Franklin v. Robinson* 4 G 138 *Smith, Merc. L.* 41-1 *Perran's Cont* 227-230 N. But I suppose the commissions paid S. M. Beatz should be repaid him.

The second question presented in this case is - "Is the allowance of commission by court Duncan to Daugherty as adm^r of Beatz deceased proper under the circumstances of this case?"

The record shows that he failed to settle as such adm^r as required by statute V. C. ch 12888.09 p 946-947. The language of the statute attaches the forfeiture of commission to the failure of the adm^r to settle, but ~~the~~ ^{the} ~~lady~~ ^{lady} with the Court a judicial discretion of settling.

the forfeiture of commission, which should
be so exercised as to enforce the spirit of
the statute (i.e. settlements by fiduciaries) and prevent
those grievous hardships which result from
an inflexible rule - Every case must therefore
be determined by its own facts & circumstances
and the power of allowing compensation when
once forfeited should be exercised only where
there is some reasonable excuse for the non
performance of this plain duty of settlement
which is positively enjoined upon the fiduciary.
The case made by the fiduciary, in the record
should be such, that it would be unjust and in-
equitable to exact the forfeiture. See. *Stratford v*
Hull 23. Gratt 670-1. *Frazier v Frazier* 77 2d 995.
Lowell v Loft 9001 N° 10 7th Law Journal 616
617 &c (i.e. Oct. N° 1887. 2 Bost City Proc 5216.

Is this that kind of a case - He qualified in 1871
& from then till 1875 July when the bulk of the
business was transacted there is no reason
suggested why he did not account - & again in
1878 when Judge Duncan went to his dwelling he
found the business in such a confused condition
that the burden of ascertaining the amount received
by Daugherty devolved upon him & much of that
information he derived from other sources
than from Daugherty. In Duncan's Report page 708 it
appears that Daugherty kept no proper accounts
and that the court held the account open on his motion.

thus it appears that it was Daugherty's negligent
& careless manner of keeping his accounts
^{that} was the cause of the delay from 78 to 82
& no reason is given why settlement was not
made from 71 to 75. I am of opinion that
this record does not exhibit a state
of case in which it would be manifestly
"unjust & inequitable to exact the forfeiture", but
to allow commission would be make no
distinction between the prompt and efficient
and the careless & negligent Fiduciary public
policy requires that this should not be done
I am therefore of opinion that the commis-
sion ~~is~~ ^{was} improperly allowed said fiduciary
It is therefore adjudged ordered and decreed
that the plaintiffs exceptions to the allowance
of commission to said Daugherty as agent of J. M.
Best be overruled he sustained and the
pltf. exceptions to allowance of commission
for collecting and disbursing partnership funds
to him be sustained and that report be
recommitted to Lewis Duncan who will
reform his report in these particulars and
he will allow in said amended report
the said Survivor Daugherty the amount
he paid S. M. Best for collecting the partnership
debts as of the date of its payment which
sum is to be taken from the joint fund
before division. he will report to court & this cause is again

John Givins a witness of lawful age
being duly sworn deposes and says,

Question,

Mr Givens do you know of some Cattle
belonging to Daugherty & Beatty, if so

please state the time that they
had them, the number, and their
quality.

Answer. I moved from Mulberry gap on to the
farm of the late John M Beatty about one
month after the death of Mr Beatty, at that
time there was a lot of cattle on Mr Beatty's
farm, which was said to belong to the firm
of Daugherty & Beatty, There was some 45 or
50 of said cattle, said cattle were a mixed
lot there being some two years old and some
threes, some sters and some heifers
I helped to feed and took care of said cattle
while they were there on the Beatty farm
Charles Daugherty the survivor of the firm
of Daugherty & Beatty came there on one
occasion and brought a man to look
at said cattle, with a view to selling them,
but no trade was made on that day, and
afterwards and about the last of March
or about one month after I moved on the
Beatty farm Mr Daugherty's employees
came and removed said cattle down
to Mr Daugherty's farm, I do not know
what became of said cattle or how, or
to whom they were disposed of, The cattle
were a good class of cattle, reds, roans
and some other colors, but I do not

show what they were worth by the head
or what the whole lot would have sold for
The cattle were in some way disposed
of by Mr Daugherty or at least they were
removed from his farm very soon after
he removed them from Mr Beatty's.

I think there were more steers in said
lot than heifers but the proportion of steers
and heifers I do not remember. And
further this deponent saith not.

Colvin Carol another witness of law
ful age being duly sworn deposes and says

Question Mr Carrol, did you help feed some
cattle kept on John M. Beatty's farm,
if so, please state the time that the cattle
were there, who they belonged to, their
number, and their quality.

Answer. In the fall of the year before the death
of John M Beatty there was a lot of cattle
on his farm which were said to be part
nership cattle between Mr Beatty and
Charles Daugherty. ~~at~~ Mr Beatty and
Mr Daugherty were at that time carry-
ing ^{on} the Mercantile business in partner-
ships. said cattle were kept on Mr Beatty's

farm that winter or most of it, My best
recollection is that they were there at the
time of his (Mr Beatty's) death. after Mr
Beatty's death the cattle were removed
from Mr Beatty's farm, as I understood
by H W Edmondson and a colored
man who was employee of Mr Dargatzis,
but I do not know myself who removed
said cattle or what became of them.
There was from 45 to 50 of said cattle, and
my recollection is that they were steer
cattle or principally so, they were a good
class of cattle two & three year olds, and
were in good order. I do not know what
these cattle were worth at the time, but
about that time I heard people say
that cattle were very high. I was a good
sized boy at the time of Mr Beatty's death
big enough to go to mill help feed and
do right good work, but I do not know
how old I was then or how old I am
now. I was bound by the court as I un-
derstand to Mr C B. Beatty and perhaps
my age can be ascertained by a refer-
ence to the records of the Clerk's office
to which I refer you for further in-
formation. And further this deposit

Answer. I have heard him state at different times
That he did not claim any commission
from said estate. The way in which he
made these statements in my presence was
this My brothers John P & W H Beatty who
were heirs of John M Beatty deceased
would be suing Mr Daugherty for

I do not know, the amount of the goods I

the business of Daugherty & Beatty was closed
out they made a rough calculation of
the matter between us, and they then

sum still due me, there never has

been a final settlement of the matter
between us. I went once or twice to Mr
Daugherty since J M Benty's death
to make settlement, but we never did
settle, in fact. We both regarded that
there was little or nothing due either
of us, and I presume that is the reason
why we never made a final settlement
but one thing ~~is~~ I do know that I
never paid Mr Daugherty anything

The said Francis Holliday a witness of lawful age and being first duly sworn deposes & says I have never paid Charles Daugherty as Admr. of the estate of John M Beatty decd. anything due said Beatty, except what I have paid him as purchase money on my land, I never paid him anything on account of goods brought by me from the firm of Daugherty & Beatty or Daugherty & Co, nor did I ever settle any matter connected with said two firms, with him as such Admr. according to my best recollection,

I moved to this County about the first of July 1869, and ~~soon afterwards~~ ^{just before that time} paid to said Beatty the first installment of the purchase money of my land. 1869. I let said Daugherty & Beaty have a check on the Union Stock and National Bank New York for Two thousand dollars (\$2000⁰⁰) as shown by said paper attached to this my deposition. On the back of said paper there is a credit of \$413⁰⁰. To which Credit there is no date.

Independent of this paper I ~~do~~^{could} not recollect said Credit, but I am satisfied that both the face of said paper & the credit thereon are correct, as they speak for themselves. After this paper was executed I bought some wheat, cattle, hogs & perhaps other property of John M Beaty in his lifetime, but the amount of these purchases I do not remember.

I also purchased a considerable amount of goods from the firm of Daugherty & Beaty at Jonesville and also some goods from the firm of Daugherty & Co at Rose Hill, but the amount of my purchases at either of said places I do not remember, but I suppose they would amount to a considerable sum.

After the death of John M Beaty his son Samuel M Beaty conducted the business of Daugherty & Beaty at Jonesville something over a year, and during that time said Samuel M Beaty came to my house and called upon me for a settlement when he & I made a settlement, as I now recollect, of all my store debts with both Daugherty & Beaty & Daugherty & Co, and upon that settlement said ^{firm or} firms fell in debt to me \$200⁰⁰ or more, and said Samuel M Beaty proposed to give me ^{his note} ~~credit~~ for that sum but I objected

unless he would see that I obtained a credit for
it on my note due to John M Beaty for my land.
and he agreed to have it so credited and he
executed his note to me for the said balance due
me whatever it was, And at a subsequent time
I obtained credit for said note on my notes I owed
John M Beaty for my land. I do not now recollect
distinctly what all was embraced in the settlement
between Samuel M Beaty & myself ^{alone} referred to, but
I am well satisfied in my own mind that my
bills for goods to Daugherty & Beaty & Daugherty & Co
and the property above mentioned brought by me
from John M Beaty, were the subject matters
brought up by said Samuel M Beaty into that
settlement, and the balance above mentioned due
me on the check was the matter upon my part,
and my opinion is that the said paper dated July
24th 1869, was then surrendered to said Samuel
M Beaty, or was in a short time thereafter hand-
-ed to Mr Chas Daugherty, the same having been
settled as aforesaid. My impression now is that
the wheat, cattle, hogs &c purchased by me from
John M Beaty were charged to me on the Books
of Daugherty & Beaty & I think my Store account
at Rose Hill was also transferred to the firm
at Jonesville, of Daugherty & Beaty for settlement.
If I owe Daugherty & Beaty or Daugherty & Co any-
-thing I do not know ^{it}, and as before stated if I
ever paid Charles Daugherty Admr of John M Beaty

deceased anything on account of my dealings with
said two firms. I have no recollection of it, nor
on any account except on the purchase money
for my land as above state.

And further this witness saith not.

The foregoing deposition of Francis Holliday
was taken sworn to and subscribed before me

-tion mentioned. Given under my hand this

Witness Claims 5000

To the Honorable, H. S. K. Morrison Judge of the
Circuit Court of Lee County Virginia

The undersigned who was by a decree
of this Honorable Court rendered and pro-
nounced on the first day of December 1883
in the the Chancery cause of S. M. & R. B. Beatty
vs L. D. Hulthman Executor &c, appointed a
commissioner for the purpose and directed
to state and settle the administration ac-
count of the late Charles Daugherty Administrator
of John M. Beatty dec'd &c. Begs leave to report
that he discharged the duties thus assigned
him and filed his statements and reports there-
of on the 25th day of August 1884, to which
report and statements he here again specifically
refers. Since making said statements and
writing his said report the Plaintiffs have asked
him to restate said account and bring in some
other matters, which had not been passed upon
in the former report. Your Commissioner
in making at stating the account this se-
cond time has pursued the same general
course, as that pursued in making the first
statements. That is he first settled the ac-
count of Charles Daugherty surviving part
ner of the Mercantile firm of Daugherty
& Beatty and Daugherty &c.

I find charge Mr Daugherty as survivor
with two inventories or ~~invoices~~, one of

which is the assets on what purports to be the assets of the firm of Daugherty & Bently and bears date March 1st 1872, and amounts to \$1033.22 of principal and \$373.98 of interest accumulated up to that date. The other is the assets of the firm of Daugherty & Co and bears the same date, and amounts to \$4391.98, of principal and \$346.75 of interest making a total charge of \$14724.20 of principal and \$720.73 of interest.

I also charge him as heretofore with additional inventories of money collected by him belonging to said firms and not embraced in the two large inventories, above referred to. It will be seen, that I have charged the survivor with two or three items not embraced in my original statement but two of these to wit a judgment against John B Milbourne and a debt collected from John B Parker were added in a supplemental statement appended to the settlement of the Administration account of Charles Daugherty as Administrator of J M Bently deceased, the third and last item here charged for the first time is the value of a Tan yard erected by Daugherty & Co on the lands of the said Daugherty. It seems that at the time this Tan yard was erected there was an

agreement that it should be erected at
the expense of said firm and when it was
abandoned as partnership property that
as it would then revert to the said Daugherty
as land owner, that he should account
to Mr Beatty for his part of it, At the time
I first attempted to settle and adjust this
matter which was in Mr Daugherty's life
time, I suggested to him that he charge
this tangord property to himself in one
of the inventories of the firm business, he
told me he would do so, but neglected it.
It now becomes necessary, he having neg-
lected to do so, to charge him with the value
of said tangord property. and the only
difficulty is getting at the proper amount
On one time \$175.⁰⁰ was spoken of by
Mr Daugherty as the proper amount
to be charged for said property but I
do not know whether he intended that
as the charge to be made to the firm
or the sum which he ought to be charged
for Mr Beatty's part of it. and in order
to arrive at exact justice as nearly as
possible I took and file herewith the
deposition of C. H. Gould a practical turn-
er who is acquainted with said property
and he fixes the value of it at the
date of Mr Beatty's death at \$235.⁰⁰

and This sum with its interest I have
charged to Mr Daugherty as survivor
and The charge being dated on the 1st
day of March 1878 I add to it inter-
est from the 1st day of March 1872 the
date when said firm was closed up
by invoice. See books deposition marked
"G" I have given said Survivor credit
for sums paid out by him on account
the indebtedness of said firms, and
file vouchers for the same as marked in
the margin running from 1 to 56 inclusive
I have also allowed him 5 per cent com-
mission for settling up said firm bus-
ness except I did not allow him
any commission on the sums found
due from said firms to himself or to
the estate of his deceased partner,
I think the commission thus allow-
ed is reasonable, and especially so
as I am informed he paid J M Beatty
5 per cent for collecting for him,
After deducting said credits and
shown by said vouchers and giving
him credit for said commissions
There is found to be a balance in
his hands belong to said firms of
\$3611.32 as of the 1st day of March 1878
One half of which I allow him to re-

tain, the other half or \$1805.66. & charge to him as the Administrator of John M Beatty, dec'd said state went with the vouchers therewith are here filed marked "A.H.W."

In the settlement of said firm business. the Administrators of the late J M Beatty, sought to charge the survivor of said firms with some partnership out the which was agreed by said firms in the year 1871. and disposed of by Mr Daugherty perhaps about March or April of that year, or at any rate very shortly after that date. and to do this they had me take the depositions of John Givins a colored man, and Calvin Carroll a white man both of whom were living on the lands of said Beatty at his death. By these two witnesses it is proved that about the time Mr Beatty died there was on his farm a lot of cattle belonging to said Daugherty & Beatty in the firms capacity, about 45 to 50 in number. good young cattle two to three years old. That a few days after Mr Beatty's death Mr Daugherty came or sent up and got said cattle, and sold them to some one, and that is all that said witnesses or anyone else seems to know about the

matter. I have not charged the Survivor with these cattle for the reason that the firm business was not closed up, by inventories until 1st of March 1872. on that day the business of said two firms passed into the hands of the survivors, and inventories were made, up to that date the business had been conducted under the firm names just as though the partners were living. and in settling the business of said firms I only allow the Survivor credit for sums paid out by him after that date. I think the clear presumption is that said cattle or the proceeds arising from the sale of them was applied to the firm business and was used in reducing some indebtedness of said firms, existing at that time, and that these said firms got the full benefit of said cattle. The firms were run for more than a year after Mr Beatty's death, during that time goods were bought and sold debts collected and no break occurred in the business. It would perhaps have been better, at least it would be more satisfactory now, if an inventory of everything pertaining to

The business of said firms had been made immediately after the death of Mr Beatty, but this was not done and we can only deal with it as they dealt with it. It seems to me that it would be just as reasonable to hunt up all the parties who purchased goods from said firms or either of them between the date of Mr Beatty's death and the taking of said inventories 1st of March 1872, and charge these items to him as it would be to charge him with these cattle.

This brings in the course I have pursued to a settlement of the Administration account, and in settling it I have pursued the same general plan pursued in the former settlement making such changes as seemed proper from additional facts before me. And in this settlement or statement I have charged said Administrator with such sums as seemed proper all of which is shown in an invoice filed with my former settlement marked "A" running thro the years 1871. 2 - 3 - 4 - 5 - 7 - And I have given him credit for sums paid out by him vouchers for which are here filed as marked in

The Mortgage from 1 to 107 inclusive
I have also allowed said Administrator a
commission of 5 per cent on all
the moneys received by him,
and This results in showing that
said Administrator has overpaid
the estate the sum of \$1013.39

on which there is \$108.19 interest
accumulated, down to Jan'y 1st 1881.
The time to which this settlement is
brought down. Said statement is
here filed marked "A H X."

The heirs of John M Beatty object to
this settlement or that part of it in
which I allow ~~them~~ ^{Administrator} commissions
and request me to make an addi-
tional statement in which no com-
missions are allowed and This I
have done and in this statement the
results in showing that said Administrator is
still indebted to said estate the sum
of \$200.57 as of the 1st day of January
1881. Said statement is here filed
marked "A H Y" The grounds upon
which said heirs base their claim
That no commissions should be
allowed are that said Administra-
tor failed to file with the Commis.

source of accounts at the proper time an inventory of what came into his hands or was properly chargeable to him as Administrator; and that he failed to make yearly settlements, as required by law, and to maintain this view they refer me to Chapter 128. and sections 4. to 9 inclusive of that Chapter, Code, 1873. Now it is a fact that said Adminr did not file an inventory as required by section 4 of said Chapter nor did he make yearly settlements as required by law. For at the August term 1875 of the Lee County Court on application of the Commissioners of accounts a Rule was awarded against Mr Daugherty to show cause why he should not settle his account &c. This rule was continued from Court to Court, remaining on the docket until December 1883. when it was stricken from the docket. No final action or action of any kind except a continuance was ever taken on said rule, but about the year 1877 or 1878 your present Commissioner, at the request of James W Ore Comr of accounts and at request of Mr Daugherty who claimed to be physically unable to attend Court went to Mr Daugherty's house for the purpose of settling said accounts, and for what was then done by me I refer to my

former report. By section 9 of said
Chapter 128. It is declared That where an
Administrator fails to lay his accounts be-
fore a commissioner as therein provided,
he shall have no compensation unless
allowed by the Court. When I made my
former statements and report the subject
of commissions was not brought up, and
Latham allowed him commissions as there-
in shown. And I am now asked by the
Court for L. D. Hultcrain executor of the
estate of Charles Doughty to give my opin-
ion as to whether or not compensation
should or should not be allowed him,
which I will now proceed to do. At the
Time of J. M. Beatty's death he and Mr Doughty
were partners in the mercantile busi-
ness conducting two stores, one at Rock-
Hill and the other at Jonesville. They were
warm, and as I am informed lifelong friends
devoted to and fond of each other, This being
so, and as the settlement of the business of
said two mercantile establishments would
necessarily devolve upon him as the sur-
vivor, the heirs and friends of J. M. Beatty
thought it eminently proper that the
estate of Mr Beatty should be committed
to him for administration. I am in

formed that he very reluctantly accepted
the Trust, and that it was only in obedience
to what appeared to be the united request
of Mr Bentys family that he did accept
it. Mr Doughty was then an old man
far past the meridian of life, and he never
or appears to have been anything a good
or methodical business man. and this es-
timate is fully sustained by the manner in
which he has managed this business.
But which has been the greatest sufferer he
or the estate of which he was administrator
or, whether either, has suffered it is now per-
haps impossible to tell. But it has ^{not} been
shown me, nor does it anywhere appear
that the estate has lost anything by his fail-
ure to file inventories with the Commission-
er. No perishable property seems to have gone
into his hands, consequently there was no
appraisement or sale bill to return. He was
only chargeable with debts, and those debts
mostly on an annuity. Francis Holladay for
purchase price of land; and he seems by
~~the return~~ shown in paper "H" to have charged
himself with sums received by him as said
sum, and it seems to me that if he failed
to charge himself on said paper with all
sums received by him, or that there was debts
which he could have expected but failed

Through negligence or carelessness to do
so, that the heirs of Mr Beutly nearly all
of whom were of age at the time of their
father's death could show it, or furnish
some evidence tending to show it. They
have failed to do so, and consequently I
am compelled to conclude that the estate
lost nothing by his failure to file the inventory
mentioned in said chapter. Nor has it
been shown nor does it anywhere appear
that any loss has been sustained by said
estate by his failure to make settlements
yearly, except the costs of bringing and
prosecuting this suit and I expressed
the opinion in my former report and I
here again reiterate it, that the estate
of Charles Daugherty should be held
responsible for the costs of bringing and
prosecuting this suit, and this ought per-
haps to include such attorneys fees as were
necessary, for the reason that if he had
made settlements, this suit would ~~not~~ not
have been necessary, and as no loss has
been shown, or appeared. I am of opinion
that he ought to have reasonable compen-
sation for his services. I think the payment
of the costs of this suit will be sufficient
punishment, and especially so when.

we consider his age and infirmity at the time he undertook and during the time he conducted said business. But the Court must finally determine, to bring the Court's province alone to determine whether or not he shall have compensation for his services, this can easily be done by adopting one or the other of the statements above referred to.

Hayes & Prodenors present an account against the estate of J M Beatty but of which amounts Jan'y 1st 1881. to \$105⁰⁰. This has not been paid, but should be by Mr Daugherty's Estate if he is still indebted to J M Beatty's Estate but if he is held to have overpaid it then the present Admin^r of J M Beatty should pay it without complicating this account with it. said account is here filed and noted marked 108.

S. M. Beatty now presents a claim against the firm of Daugherty and Beatty for \$20.⁰⁰ paid by him on the 28th day of Nov. 1878 to J W Orr. one half of this should be paid by the estate of Charles Daugherty and the other half by the estate of J M Beatty for the reason that the firm matters are now settled up, and each estate has got before this account is presented one half

of the firm effects, said account now amounts to \$30.60. and is here filed numbered and noted 109. I appended it to each of said statements.

Since settling the firm accounts, as above stated the counsel for J M Beatty & Associates raise the point that I have not properly divided the residue of the firm debts after payment of debts, they claiming that said balance should be divided according to the ratios of what each man had put into said firm, but they offer no evidence at all of what the contract was between the parties on this point.

These funds or effects of said firms after debts are paid should be divided according to the agreement of the parties and if there was an agreement it ought to be shown. In the absence of any evidence to the contrary I am clearly of opinion that they must be held equal partners.

Mr Smith in his Mercantile Law page 60 says, in speaking of partners; "They are jointly and in the absence of evidence to the contrary, are taken to be equally interested in the partnership stock of facts". see also note P. on said page.

But especially is this so where as in

the interest is allowed on all
the sums put in by him,
is only worth its interest and
it will be seen that I have allowed
party interest on the sums put in
by him, This gives our Party full inter-
est on the sums of capital advanced
by him, and fully compensates him for
the money of his used by said firms and
according ^{to} every rule of mercantile law
known to one makes them equal.

I charge for making this revised settle-
ment and report the sum of ~~Forty~~ -
dollars which I certify to be a reasonable
charge for the time employed and should
the Court adopt my views as to costs this
sum should be paid by the estate of
Charles Doughty deceased
August 24th 1887.

L D. Fullerton Curator &c. als. Dfts

To the Honorable John A. Kelly Judge
of the Circuit Court of Le County, Va

Pursuant to a decree rendered and
pronounced on the first day of December 1883.
in the above styled cause the undersigned
who was appointed a Commissioner for the pur-
pose, was directed, to take state and settle
the administration account of the late
Charles Dargherty deceased as the Adminis-
trator of John M. Beatty dec'd and show
what went into his hands as such sum or
could have been realized by him by due
or ordinary diligence; when and to whom
he disbursed the same stating fully all the
acts and doings of said sum as such. Also
to ascertain and report how much of the estate
of John M. Beatty if any was received and
remains in said Dargherty's hands as surviving
partner of the firms of Dargherty & Beatty and
Dargherty & Co. Your Commissioner was directed
to report all matters deemed pertinent by him-
self or required by either party &c.

In order to discharge the duties thus re-
quired of him your Commissioner on the
5th day of February 1884 prepared notices
stating the duties which was required to be

performed by him, and fixing the 2 day of March 1884 and the office of Richard Duncan & Orr in Jonesville as the time and place when and where he would sit to discharge said duties. One of which notices he affixed on the Court House door of Lu County, another he sent and directed to be tacked upon the store house door of Chas E Baylor at the place where Mr Daugherty resided at the time of his death, he sent another to L. D. Fulkerson Curator, &c and another to S M Beatty the plaintiff. A copy of said notice is heretofore marked (A.B). Gent A L Pridemore Atty for the Plaintiffs and H. H. Morgan representing the Defendant L. D. Fulkerson also had verbal notice. In obedience to said summons Samuel M & R. B. Beatty two of the Plaintiffs and L D Fulkerson one of the Defendants and Curator of the Estate of Charles Daugherty appeared before your commission on the day fixed in said notice. The matters pertaining to said estate and the manner in which Mr Daugherty had discharged the duties of Administrator were fully talked over, but nothing of any importance was furnished by either of said parties.

John M Beatty died intestate in Lu County on the day of January 1871. at the time of his death he was the owner of a valuable real and personal estate situated in said County. He and Charles Daugherty ^{was} engaged

and had been for several years, in The Mercantile business, as partners, conducting two stores one at Louisville under the firm name of Dargherty and Beuty, and the other at Rose Hill under the firm name of Dargherty & Co, both of these houses were doing quite a large and respectable business, but whether successful or not, the sequel will show. The business of the two firms had to be settled, and that duty devolved upon Mr Dargherty as surviving partner, and this being so, and owing to the further fact that Messrs Dargherty & Beuty had been lifelong, and intimate friends, the friends and heirs of said estate thought it eminently proper that John M Beuty's estate be committed to Charles Dargherty for Administration. Mr Dargherty at this time was an old man, far past the meridian of life and he seems never to have been a very methodical business man, and as I am informed he was very reluctant about accepting the office of Administrator, but he did accept it and I feel well warranted in saying that it was neither fortunate for himself or the estate that he did so.

The said John M Beuty left at his death 8 children his heirs at law. To wit N. E. Beuty, S. M. Beuty, W. H. Beuty, R. B. Beuty, J. P. Beuty, Hattie who intermarried with C. E. Baylor, Emily who intermarried with J. N. Hutcher and several

Beaty still single. Mr. Beaty estimated the value of his real and personal estate to be \$24,000 after all debts liabilities &c were fully paid.

And this estimate as I understood was adopted by his ~~Successors~~ and heirs as a basis upon which to make partition among themselves. But of course this estimate was subject to an actual final settlement of said Estate.

The real estate belonging to said Beaty was estimated at \$15,000 cash and was so treated by the heirs in the partition thereof.

This real estate was partitioned between five of said heirs, to wit. S. M. Beaty, R. B. Beaty, Hattie Baylor, Emily Hatchu, and Cornelia Beaty, leaving three of said heirs, to wit. T. E. Beaty, W. H. Beaty and J. P. Beaty to be paid a like share of \$3,000 each out of the personal estate. And in accordance therewith your Honor will see that various payments were made by said ~~Successors~~ out of said Estate to said three last named heirs. The first of which was made to T. E. Beaty on the 1st day of March 1872, and amounted to \$3,000. Then various other payments were made to W. H. & J. P. Beaty, as shown by ~~their~~ receipts filed in a statement of each of their accounts with said ~~Successors~~ each of which are here filed, as part of

This account and report. Marked A^B.C. & A^B.D. by which it will be seen That There is still due to H^m H Beatty in order to make him equal with A^B.E. Beatty and the heirs which remaind and, the sum of \$ 2,68. 09 as of the 1st day of January 1881. and to J P Beatty to make him equal the sum of \$ 446 47 as of the same date.

As before stated John M. Beatty was, at the time of his death, engaged with Charles Dargherty in the Mercantile business, conducting two stores that of Dargherty & Beatty, & Dargherty & Co. one at Louisville, the other at Rose Hill. These two firms were run on after Mr Beatty's death until the 1st day of March 1872. and on that day were closed and an invoice made of the cash, notes account goods &c on hand on that day belonging to each of said firms said invoices are filed with a settlement of said firm business as B. & C. Invoice B being the assets of the firm of Dargherty & Beatty of Principal & \$373. 98 of interest and amounting to \$10,332.22, and "C" being the invoice of Dargherty & Co. amounting to \$4391.98 of Principal and \$346.75 of interest. These two items together amounting to \$14,724.20 of Principal and \$720.73 of interest I have charged to Mr Dargherty as the surviving partner in said two firms.

I also file with said settlement and constituting part of it inventories D. E. & F Money collected by said Survivor and not embraced in the other invoices, and I charge him at the proper

with the money embraced in said Three invoices. Mr Benty and Mr Doughty had each put into said firms large sums of money, and by the terms of the agreement under which they were conducting their joint partnership business each of them was to have interest on the money put in by him and to be charged with whatever sums he drew out.

It now becomes necessary for me to refer to a few facts in connection with this matter that do not appear in the records of the case as before stated, at the time the Estate of John M Benty was committed to Charles Doughty for Administration the said Doughty was quite an old man, & while he was a man that had accumulated quite a handsome estate, his nature was easy, and his business qualifications anything but methodical and he did not bring either energy or system into the transaction of the business of said Estate. No Appraisalment of said Estate was even made. Nor did he make ^{to the Clerk's Office} ~~or~~ return an inventory or anything of the kind by which to charge himself or show what sums would or did come into his hands as Administrator, or as Survivor as aforesaid. Things went on in this way for several years until about the year 1877 a rule was made by the County Court requiring

to make settlement of his Administration account. He then requested James W Orr as Commissioner of accounts of the County Court of Lee County to come to his house and make said Settlement, but it being impossible or inconvenient for Mr Orr to go, he sent your present com^r to make said Settlement. I went to Mr Daugherty's house on Monday sometime in January 1878 as I now recollect, to make a settlement as becom^e for him of his Administration account. He then presented to me as small book in which he had charged himself with certain sums received by him as Adm^r of J M Bentz dead from certain persons, the main sums being received from Francis Holliday, and these sums I have transferred to an inventory filed with said Administration account marked A, showing the amount of money received by him each year. Though it is proper for me to here state that Mr Daugherty did not furnish me with all of the items charged on said paper "A," and those not so given me by him I obtained by an examination of the Chancery case of Charles Daugherty vs Francis Holliday still pending in your Honor's Court, and are credits which he in said suit admitted Mr Holliday was entitled to, on his land sold to John M Bentz These items are as follows. \$133.00 \$140.⁵⁰ \$130 \$200.⁰⁰ + \$375.00

and also the item of \$5528.28. This sum was money due to J M Bently from the firms of Daugherty & Bently & Daugherty & Co. for money advanced by him to said concerns and was only ascertained by me by stating said Bently's account with said firms. said statement is filed with The Survivor Settlement as voucher no. 1.

When I got to Mr Daugherty's and made an examination of his accounts as before I found everything in a confused state, he had kept no regular account current of his transactions. He had not kept a full account of his collections as ~~advent~~ and only a partial account, of the payments he had made, he had kept no account of money received by him from those indebted to the Mercantile firms, and only a very meager account of payments made by him, and his vouchers or receipts were thrown pell mell with no regard whatever to order or arrangement in a large sized trunk kept in his room as a general receptacle for all the papers that had accumulated on his hands from the time he commenced keeping house up to that time, and out of this confusion I had to bring order, if order could be brought out of it. I then attempted to state his accounts for him and about the time I got it ready for submission though only in a

partial form when Mr Daugherty sent me another lot of vouchers with a request for me to so modify my statement as to untrace said items thus sent me. This of course changed the whole matter and I had to restate the entire account, and again after waiting sometime I again made a statement of the account almost to completion when Mr Daugherty again wrote to me asking me to hold the matter open, as there was other matters outstanding which he desired to get settled up before the account was completed, and so the matter rested until Mr Daugherty died, and then this suit was instituted. I have given this history of the matter as showing the way in which these estate and firm matters have been transacted, and, to show the amount of labor I have done in settling this account.

I now come down to a detailed statement of the manner in which I have stated and settled the administration account of Charles Daugherty as Administrator of John M Beatty dec'd, and preliminary thereto I have settled first and file the same herewith marked A & B. The Settlement of Account of Charles Daugherty as surviving partner of the firms of Daugherty & Beatty & Daugherty & Co. In this State

ment I charged Mr Daugherty with the several sums mentioned in inventories B. C. D. E. & F. I credited him the sum of \$5166.62 for principal and \$36166 of interest paid to J M Benty's Admr being the sum due to said J M Benty on account of money put into said firms by him. See voucher 1.

I next gave him credit for \$1198.41. of principal and \$83.88. of interest being amt due him on account of advancements made to said firms I next gave him credits for various sums, as shown by vouchers herewith filed running from 4 up to 55 as moved in the margin for sums paid by him to creditors of said two Mercantile firms. I also give him credit for \$100⁰⁰ which I charge for making this settlement, but which has not been paid me. I have also allowed said Survivor, 5 percent on the collections and disbursements made by him except for the sums turned over to himself as Admr of J M Benty, and the sum retained by himself on these sums I allowed him no commission. This statement thus made results in finding a balance of \$2923.72. in the hands of said Survivor as of the date of March 1st 1875 to be divided between said Daugherty, and said Benty's Estate. One half of this sum I allowed said said Survivor to retain and the other half or \$1461.36. I transferred to the account of said Charles Daugherty as Admr of J M Benty dec'd.

It is proper here to state that the two items
Nos 54 & 55 Credited to the Survivor was
only brought to the attention of your Court
at the time and by the depositions of Wm
S Martin & Francis Holliday, and these
depositions I am clearly of opinion sup-
port the credits there given.

I then proceeded to state and settle the Admin-
istrators account proper, of Charles Daugh-
erty Administrator of John M Beutys estate
as shown in inventory A. filed with said
Statement. This inventory like the Settlement
runs through various years, and amounts
to something like \$20000. and I have given
him credit for various debts paid by him
as shown by vouchers herewith filed and
marshalled as in the Mortgage from 1 to 107 inclu-
sive and running through 10 annual State
ments, to which is appended a special
Statement. This result shows that said
Survivor has over paid his indebtedness to said
estate as of Jan'y 1st 1881. The sum of \$16042.00
and interest on this sum if the same can be allowed
is \$171.18. There is due to Hayden & Pridemore
the sum of \$132.15 for services rendered by
them as attorneys for said Estate interest
being calculated on said account down
to 1st Jan'y 1881. I also file herewith
marshalled 109. my account for making this

settlement, perhaps this sum should not
be a charge on the Estate of John M Beatty
because ~~the work~~ in making it is largely
attributable to the bad and unbusinesslike
way in which the accounts of said Admin-
istration, were kept by said Admin^r and
the same may be said of the way in which
he managed the business of said Trofins
after the death of his partner. I have settled
and filed herewith, a settlement made by
me with J P Beatty and the estate of J M Beatty
decd on account of payments made to him
by said Admin^r. There owns with interest calcula-
ted down to Jan'y 1st 1881. amount to \$4143.53.
And if said estate will pay as it was supposed
it would such be the sum of \$3000⁰⁰ as of
the 1st day of March 1872. There is still due
said J P Beatty the sum of \$446.47. as of
the 1st day of Jan'y 1881. This settlement is
her filed Morsled ABC. I have made
a like settlement with W^m H Beatty and
said estate which upon the same principle
shows. That there is due the said W^m H Beatty as
of Jan'y 1st 1881. The sum of \$268.09 said
settlement is her filed Morsled ABD. If
I am right in the settlement of the Adminis-
tration account of said Estate there is
no personal estate out of which these two

Two sums are to be paid, by which to equal
if said two heirs with N E Beatty who rec'd
£3000. in goods and the 5 heirs who received
£3000. each in lands.

There is due the estate of John M Beatty from
Francis Holliday, on the notes for land which
went into the administrators hands the sum
of £941. 47. as of the 6th day of July 1884, and
the Administrator had & has a decree against
Mr Holliday for this balance, which is good
and which ought to be collected almost any
time. I file herewith a calculation of the
same, pursuant to the decree entered in
the chancery cause of Charles Daugherty, Adm^r
vs Francis Holliday, marked A B C.

If it is proper for your Commissioner to
oppose of the subject of costs, in this suit
he would express the opinion that Mr
Daugherty's estate should be held liable
for the same because it was certainly
his fault that the settlement of said Admin-
istrators account was not made in due
time and the heirs could not possibly
from the manner in which said Adminis-
tration was conducted, show how the
matter stood and this suit was necessary
to determine that matter.

Respectfully submitted

Commissioner

Special Report.

Since writing the above I have discovered two additional items belonging to the firm of Dancy & Co. and amounting March 1st 1885 to the sum of \$287.67, one half of which on that day belonged to the estate of J. M. Beatty. This one half I therefore transfer as of that date to the Administration Account and with interest added down to Jan'y 1st 1887. The time to which the account is carried amounts to \$194.11, which deducted from the amount overpaid ~~as~~ shown by my former statement leaves a balance of principal due to the said Dancy & Co. as of that date, \$1400.03 & \$171.18 int if interest is allowable on overpayments. This does not include account of Hogan & Prudden or my own account.

Know all men by these presents,
That we, Thomas S. Gibson, James
M. Wheeler and Moses S. Ball, are held
and firmly bound unto Charles Daugh-
erty in the penal sum of two thous-
and dollars, the payment whereof
well and truly to be made, we bind
ourselves, heirs &c., jointly and sever-
ally by these presents, and as to
the payment thereof we waive the
benefit of our Homestead exemp-
tions. Witness our hands and
seals this the 5th day of March 1877.

The condition of the above obli-
gation is such, That whereas the
said Chas. Daugherty has this day paid
to the said Thomas S. Gibson one
thousand dollars upon a note executed
by Daugherty & Beatz to said Thos.
S. Gibson. Daring date the 27th day
of July, 1869, for the sum of \$2713.50
and due 1st May, 1872 bearing inter-
est 1st Oct. 1869, which said note
was executed by said Daugherty & Beatz
for the purchase price in part of
tract of land situated in Lee County
Virginia whereon the said John M. Beatz
died, and which was conveyed to said Gibson
by James Fulkerson, which deed is now

of record in the County Court Clerk's Office, and to which reference is here made for more particular description, and concerning which the heirs of — Holmes instituted their suit of Ejectment against said John M. Beaty heirs in the United States Court for the Western District of Va., and which said Ejectment suit is still pending; and whereas the said Gibson has obtained judgement upon said note in the Circuit Court of Lee County, and the said Daugherty has enjoined the collection thereof on account of said suit in Ejectment. Now therefore if the said suit in Ejectment shall be determined in favor of said Holmes' heirs, and the said Daugherty or John M. Beaty's heirs thereby sustain a loss therefor and the said Thomas S. Gibson, James M. Wheeler or Moses & Ball in that event shall well and truly pay back the aforesaid one thousand dollars, or so much thereof as may be necessary and the legal interest accruing thereon from this date, then this obligation to be void otherwise to remain in full force and virtue. But if there remains still in the said Daugherty's hands a sufficient sum to cover all damages in the Ejectment suit aforesaid, then in that event this obligation is likewise void.

Said sum of money be paid over to Martins Station Lodge
in Powells Valley and said Wm J Morgan further states upon
oath that he heard L D Fulkerson say he was present
with said John M Beatty when the herein before mentioned con-
tribution was made and that he saw the money actually paid
to said John M Beatty and said Wm J Morgan further
states upon oath that as Treasurer of said Martins
